Greetings everyone! I am thrilled for you all to begin the [Leadership and Management in Action Program](#) next Wednesday. This session of LMAP runs from October 27th through December 1st.

You're all about to embark on a fantastic journey of self-reflection and exploration that will help build and strengthen your leadership and management skills.

I want to introduce you to [Molly Grisham](#) who will be your guide and facilitator through the program. I have copied Molly on this email and in the coming days, you will be receiving some emails directly from her.

Thank you all for your commitment to leadership!

As a reminder, for your privacy GSA Engagement staff will not be joining these meetings, and meetings will not be recorded.

If you have any questions, please reach out to me. I'm happy to help in any way I can.

Hello LMAP participants -

I am so excited about working with you! I have led many cohorts through LMAP and each cohort brings a uniqueness to the process and I am sure this will be the case with you all.

Here are some important notes for you:

We will meet each Wednesday from 12-1 CST except for the last week which will be from 12-2CST.

Each week you will also meet online with a small group to do a deeper dive into the material.

You will need your PDF of the material for each session.

You will need some paper and something to draw with for several of the sessions.

The sessions will be interactive so please have your camera on and be prepared to participate.

We will use the following link for all of our sessions: <https://us02web.zoom.us/j/6154973168?pwd=ekFINIIbERnLzNIT0dTaHRRVGZ1Zz09>

If you have any questions or need anything during this process please don't hesitate to reach out. I am looking forward to meeting you!

Molly
